PADDLE *Willapa Harbor*

Welcome to the beautiful Willapa Bay where waterways, rich woodlands and abundant wildlife create an ever changing paradise for paddlers. We are proud to share our waterways and encourage you to explore it and fall in love with it as we have. Please be mindful of the tides and respectful of the oyster beds. You may want to pack a journal to keep track of the many birds you come across and don't be surprised to spot roaming elk or soaring eagles!

Whichever path you choose you will want to come back again and again as we believe Willapa Bay to be one of the most inspiring and unique places in the Northwest.
